

Southlake Carroll Hockey Association

Dear Sir or Madam,

The Southlake Carroll Hockey Association (SCHA) is a non-profit 501(C) (tax ID 75-2805773) organization supporting high school level ice hockey within the Dallas/Fort Worth Metroplex. The purpose of SCHA is to foster, promote and improve amateur youth hockey for charitable, educational and recreational purposes. The organization is one of the most recognized in Texas with three Metroplex titles and back-to-back state championships in 2000-2002. SCHA is the largest high school hockey organization within the state, supporting three full teams at both the varsity and junior varsity levels.

As with any non-profit organization, fundraising is the lifeblood to its success.

On October 20th of this year, SCHA is hosting its 4th annual golf tournament at *The Waterchase Golf Club* in Ft. Worth. This event is our largest and most prestigious fundraiser of the year.

Please take a moment to review our brochure and decide to participate in this opportunity either as a player, a sponsor or with a contribution. Your support through this event insures that SCHA will continue to compete at the metroplex, state and national level. We have many needs and your participation is important no matter how great or small. If your schedule does not permit you to join us as a sponsor or a player, please consider a donation for this portion of the program. We can also develop specific sponsorships that fit your individual needs / profile.

Please contact me at 817-442-1554 with any questions! Additional information can be found at our website www.southlakehockey.com.

On behalf of the young athletes who participate in our association and enjoy the great game of hockey, THANK YOU !

Sincerely,

Rita Hale
